MEDIA RELEASE

Response to false information being circulated on social media on the alleged sale of PowerGen's property at Wrightson Road, Port of Spain

The management of PowerGen has been made aware of false information being shared on various social media platforms which states that PowerGen's property at Wrightson Road, Port of Spain has been sold to ANSA McAL. PowerGen wishes to advise that its Port of Spain property is still vested in the Company and that there are no discussions or arrangements at this time for the sale of same to any entity.
